1. During the telephone interview with Heidi Boehlefeld, applicant's representative discussed the provisional obviousness-type double patenting rejection with co-pending 10/734,379 and applicant decided that a Terminal Disclaimer will be filed in the '379 application, which now will obviate the rejection of provisional obviousness-type double patenting remaining in this case. Accordingly, the provisional obviousness-type double patenting rejection is withdrawn and the case is now in condition for allowance.
